The Fowler Companies is a family-owned business that strives to deliver the best equipment and service available. From Coin Vended Laundries to state of the art Monitoring and SmartCard systems, Fowler provides the options that best suit your needs. We pride ourselves in our diversity; specializing not only in Laundromats, but also Custom Laundry Facilities for residential housing, Co-ops, Condominiums, Colleges and more. We make sure our customers receive the most dependable and efficient service available anywhere. Here at Fowler, Our customers are our TOP PRIORITY.

# OUR COMPANY HISTORY

The Fowler Companies were started in 1952, by Donald Fowler, and remains one of the largest privately held laundry equipment distributors in the Northeast and Mid-Atlantic regions. Since then, Douglas Fowler and his team continue to serve coin laundries, on-premise laundries, multi-housing laundry facilities and college campus laundry facilities; providing superior equipment and unparalleled service. The Fowler Companies sets themselves apart from the competition because we operate four individual business units.

## **FOWLER ROUTE COMPANY**

Full service partner providing laundry solutions to the residential housing market including apartment houses, condominiums, co-op, and senior living facilities.

## **FOWLER CAMPUS**

Dedicated to the specific needs of colleges, universities, and student housing; Fowler Campus provides high tech laundry solutions, service, student training, monitoring, and more.

## **FOWLER EQUIPMENT**

Offers complete coin and coinless laundry solutions with site evaluation and selection, lease negotiations, complete equipment packages, design, installation, and financing. Fowler Equipment also provides on-premise commercial laundry equipment to facilities such as Hospitals, nursing homes, and country clubs.

## **FOWLER EXCEL**

Devoted to the laundry needs of military, state and government facilities, Fowler Excel installs and services equipment in base dorms, military hospitals, and more.
